7th September 2025 – 23rd Sunday in Ordinary Time

A thought... This past week we had the First Years from St Kieran's College join us for Mass to start a day celebrating friendship as they settle into a new school community. It is not by chance that we do this at the start of the year - if the students make friends and are happy in their environment then the learning comes easily. It occurs to me that friends are one of the best 'learnings' of our schools days. Some of our best friends are those we made in school. But friendship takes work - you have to invest in your friends, time, energy, and so much more. It is a good investment and one that is no less important as life goes on and we get older. *Fr Dermot*

Kneelers

In the coming weeks we will replace the kneelers at one side of the Cathedral. These are badly in need of repair and replacement on both sides of the church. We have decided to do one side at a time so as to space the costs over a number of months. I am not sure what side they will do first as we left that off to them but if your side is lucky great if not be patient with us we will come back to do the second side shortly.
